

3. The most recent Collier County Water Irrigation Restrictions table is provided for you below. Residents ARE NOT to be watering landscaping from ANY fresh water faucet (green) but ONLY from the non-potable (red) faucets. If this winter season becomes drier than normal you can likely expect further restrictions in water usage from the County.

Collier County Water Irrigation Restrictions	Effective March 15, 2010
Established Landscaping Irrigation...	<b>Fridays are dry days!</b>
<b>ODD Numbered Addresses:</b>	3 days each week: Monday, Wednesday & Saturday, 12:01AM to 8:00AM for all types of irrigation; 5:00PM to 7:00PM for Low Volume Hand Watering.
<b>EVEN Numbered Addresses:</b>	3 days each week; Tuesday, Thursday and Sunday, 12:01AM to 8:00AM for all types of irrigation; 5:00PM to 7:00PM for Low Volume Hand Watering
<b>New Landscaping Irrigation (when in place less than 60 days)...</b>	
<b>ALL Addresses:</b>	5 days each week; Monday through Friday, 12:01AM to 8:00AM for all types of irrigation; Low Volume Hand Watering allowed anytime
